

Malaysia

Summer Camp 2026

Arts & Design | Computing & Tech | Business & Entrepreneurship

26 July - 9 August

Empowering Future Leaders

Through an International Academic & Career Readiness Experience
Hosted at the **University Of Wollongong Malaysia**

Ulearniverse
Your Learning Universe

WHAT IS U-CAMP?

U-Camp is Ulearniverse's global summer camp experience, designed to combine academic exploration, cultural immersion, and real-world learning. Hosted on university campuses and delivered in partnership with industry and academic institutions, U-Camp supports students preparing for future study and careers

The Future Leader Accelerator

All U-Camp programmes are delivered through Ulearniverse's Future Leader Accelerator framework, supporting student growth in communication, collaboration, problem-solving, and global career readiness alongside academic learning.

A shared U-Camp Experience!

- ◆ Multicultural student cohort
- ◆ Collaborative U-Marketplace Project
- ◆ University-hosted learning environment
- ◆ Cultural visits and city exploration
- ◆ Career & study guidance by Ulearniverse
- ◆ Optional English classes
- ◆ Certificate of Completion

Programme delivery note

All U-Camp Malaysia programmes are hosted on the University of Wollongong Malaysia campus. External visits are programme-specific and designed to complement on-campus learning.

PROGRAMME OVERVIEW

U-Camp Malaysia offers students the opportunity to explore one of three academic streams. While students specialise in their chosen field, they collaborate across streams through a real-world entrepreneurial project to build and launch a platform where all U-Camp students can showcase and launch their businesses.

3 Streams
1 Marketplace

@ulearniverse

Creative Arts

Arts & Design provides a foundation for a wide range of creative and design-related university pathways.

Game Design fundamentals

Understand gameplay mechanics and character development.

Fine Art techniques

Experiment with various media to express your creativity.

Architecture study options

Learn structural design principles and spatial understanding.

Fashion Design exploration

Create unique clothing lines and develop your fashion sense.

Interior Design principles

Design functional and aesthetic spaces in diverse environments.

Arts & Design Programme

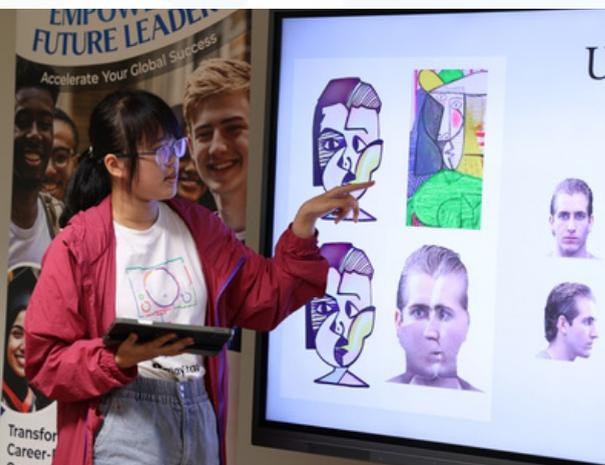

Sell your Art On U-Market Place

Create artwork for a campus pop up shop & U-Marketplace project earning potential royalties.

Animation skills development

Master the art of bringing illustrations to life.

- Prepare for a creative arts career, taught by a Fine Art IB examiner and former brand manager for top global fashion brands.
- Showcase and commercialise student work through the exclusive U-Marketplace project.
- Visit The One Academy for a masterclass on applying modern technology in the creative arts.
- Compete to win prizes, including the prestigious Top Artisan Award.

Arts & Design students will take part in an industry visit to the award-winning One Academy, gaining first-hand experience of training delivered by industry experts using leading technologies in the creative arts.

Business & Entrepreneurship

- Build entrepreneurial thinking, leadership skills, and career confidence through hands-on, team-based projects.
- Plan and host a collaborative U-Marketplace pop-up shop, developing real-world commercial and customer experience.
- Develop future-ready leadership, communication, and decision-making skills through the Future Leader Accelerator.
- Gain insight into global study pathways and entrepreneurship-aligned university and career options.

Computing & Tech

Creative coding projects

Website & App Development

User Experience (UX) & Interface Design

Data, Content & Platform Management

E-commerce & Digital Platforms

Teamwork, Communication & Problem-Solving

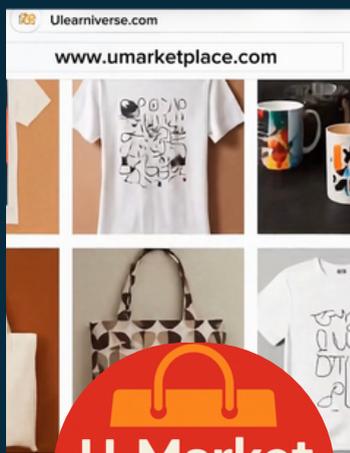

- Explore computing through hands-on web and app development projects.
- Learn how digital platforms are designed, built, and managed in real-world contexts.
- Develop practical skills in user experience, digital content, and data organisation.
- Build confidence in teamwork, problem-solving, and responsible use of technology through the Future Leader Accelerator.
- Gain insight into global study pathways and future careers in computing, technology, and digital innovation.

Ulearniverse Collaborative Project: “The Creative Marketplace”

A real-world collaboration where students create, build, and launch together.

The Mission: Students collaborate to design, build, and pitch a pilot for The Market by Ulearniverse—a real e-commerce platform featuring student-created products.

Business & Entrepreneurship: The Launch Team

Task: Create the full business and go-to-market strategy.

Deliverables:

- A comprehensive business plan (mission, model, financials).
- A targeted marketing campaign & Campus pop up sale (including real social media assets).
- A 3-minute investor-style pitch.

Arts & Design: The Creative Agency

Task: Produce a commercial-grade collection of original artworks for merchandise.

Computing & AI: The Tech Builders

Task: Develop a functional prototype of the marketplace website.

DNA OF A ULEARNIVERSE GRADUATE

Comprehensive guide to graduate attributes

Pursue Skill-Enriching Education

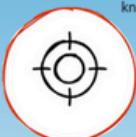

Focused education and training chosen for building skills aimed at serving broader societal purposes.

Global Mindset

Entrepreneurial and Technological Agility

Skills in entrepreneurship with knowledge to utilise technology for effective business advancement and growth.

Global Networks

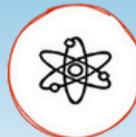

Financial and Cyber Security Savvy

Profound financial literacy and internet security understanding to safeguard freedom and finances.

Informed Academic Decisions

Clarity in subject selection, understanding university and course requirements for preferred academic paths.

Self-Awareness and Career Matching

Graduates understand personal skills, interests, and potential careers, ensuring they pursue enjoyable and excelling paths.

Global Job Market Insight

Knowledgeable about global job landscapes, recognising necessary skills for success in different environments.

Did you know that the University of Wollongong is ranked in the top 15% of universities in the world by the QS Rankings 2025?

What Our Students Achieve Upon Completion

Quan, Vietnam

Architecture, U-Camp 2025

"U - Camp was interesting and entertaining. I improved my portfolio, learned more about drawing, construction, and architecture, and met amazing new friends from around the world. One of my favourite memories was going to the mall to buy gifts for my family and friends.

Dildora, Uzbekistan

Interior Design, U-Camp 2025

"The camp, the people, and the teachers were amazing! Everything was organised at the highest level. I'm truly grateful to everyone for this trip and for such an unforgettable camp experience.

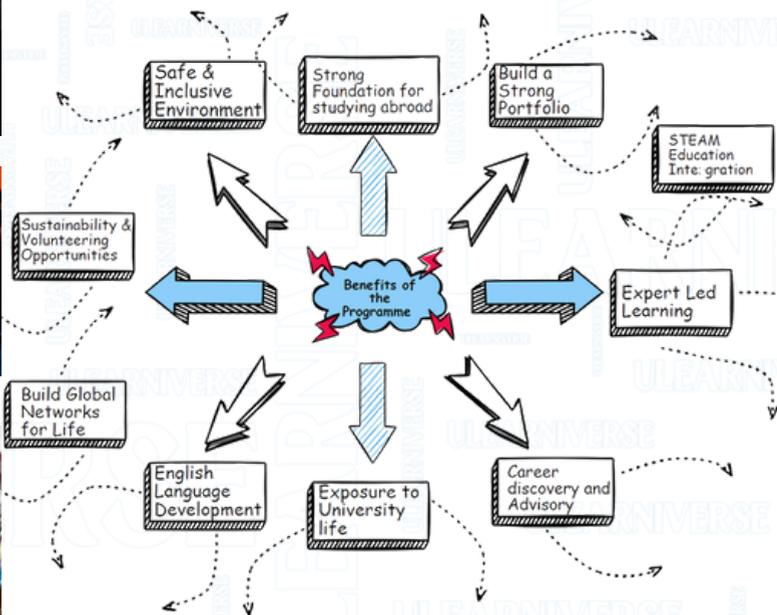

Chama, Morocco

Fashion Design, U-Camp 2025

"I just wanted to say that it was a life-changing experience that I will never regret. Those were the best two weeks of my life without an ounce of exaggeration. I made incredible friends I'll never forget and truly wish that others have the chance to experience such a beautiful journey.

Cultural Exchange Space

- › Dedicated areas for hosting events and activities that promote cultural interaction.

STUDENT ACCOMMODATION

COMFORTABLE
SINGLE & TWIN
BEDROOM

SPACIOUS LIVING & DINING AREA

COMMUNITY ENTERTAINMENT ROOM

Accommodation

Student Accommodation

More than 80 apartment units are available in the student accommodation, with each unit shared by 6-8 students.

Location

The accommodation is just a 2-minute walk from the academic block, providing students with quick and easy access to classes and facilities.

Room Options

The accommodation consists of 7 levels, divided into male and female wings. It offers 292 single rooms and 160 twin-sharing rooms, catering to various student preferences.

Facilities

On-campus convenience store and internet service are available to students for added comfort and ease of living.

Nearby Amenities

The accommodation is located next to Utopolis Marketplace, a retail center, and residential suites, offering students a vibrant and accessible living environment.

High-Speed Internet

Complimentary Wi-Fi available in all rooms and common areas, ensuring students stay connected for both academic and personal use.

Safety and Security

24/7 security services, CCTV monitoring, and secure access to ensure a safe living environment for students.

Laundry Services

On-site self-service laundry facilities and affordable professional laundry services for added convenience.

Sports and Club Activities at UOWM

Performing Arts Club:

Divisions: Singing, Cheerleading, Dancing, and Drama. Develop creativity, performance skills, and confidence through weekly training.

All Star Sports Club:

Sports: Basketball, Futsal, Dodgeball, Netball, Volleyball, Captain Ball, and Badminton. Stay fit, build teamwork, and improve your sports skills.

Cultural Exploration:

Sessions to learn about Malay, Malaysian Chinese, and Malaysian Indian cultures. Includes traditional games, cultural history, and language basics.

Aims to promote cultural understanding and appreciation among students.

*Please note that the schedule, activities, and venues are subject to change. Students are encouraged to stay updated through official university announcements.

Facilities in the Utopolis mall

Convenience at Your Fingertips

Located just a short walk from UOWM, Utopolis Marketplace offers a variety of facilities to make daily life easier. From convenient stores like MyNews and 7-Eleven to home improvement at MR.DIY, everything you need is right here. Handle laundry at Delta Laundry, or take care of your health at Poliklinik Shaik and Klinik Pergigian Ooi & Khor. A hassle-free lifestyle awaits, just steps from campus!

Weekend Activities

Students enrolled in the Summer Camp program will enjoy activities on the weekends:

- Learn while exploring Malaysia's rich culture, history, and modern attractions.
- Real-life opportunities to practice English through interactions during trips and activities. A perfect blend of classroom learning and
- outdoor experiences to keep students engaged. Meet and bond with students from different countries, building international friendships.

Tour of Kuala Lumpur

A trip to downtown Kuala Lumpur to discover the sights, sounds and hustle of city life. Visit monumental sites while trying out local food. From the iconic Petronas Towers to bustling street markets, lush gardens, and historic landmarks, this dynamic city offers endless amazing spots for tourists. Experience the perfect blend of culture, modernity, and adventure in every corner.

Suggested Itinerary

- 9.00 AM - Depart from UOWM Campus
- 10.00 AM - Batu Caves
- 12.00 PM - Twin Towers + Lunch
- 2.30 PM - National Mosque
- 3.30 PM - King's Palace
- 4.30 PM - Thean Hou Temple
- 5.15 PM - Depart for UOWM Campus

**Subject to change*

Tour of Genting Highlands & Port Dickson Beach

Take a break from classes and experience Malaysia beyond the university.

- **Genting Highlands** – Enjoy cool mountain views, iconic attractions, and time to explore one of Malaysia’s most exciting destinations.

- **Port Dickson Beach** – Relax, recharge, and bond with friends by the sea while experiencing Malaysia’s coastal lifestyle.

These trips are all about balance – learning, culture, fun, and unforgettable memories with students from around the world.

Austen Wee

Malaysia

I had an amazing time at Ulearniverse! The camp was so well put together, with really nice teachers and a perfectly chosen campus. Beyond the great classes, I learned a ton about different cultures from all the incredible people I met. One of my biggest achievements was a drawing I did that massively improved my skills in tonal values and shading—I'm so proud of it!

See you soon!
